	<input type="radio"/> Application for license to cover construction permit for LPFM station subject to special operating conditions that restrict program test authority. Complete Sections II, III, and VI. Applicants with construction permits that include program test authority conditions, other than those that relate to successive license term conditions, may commence program test operations only upon the receipt of written notification from the Commission.																								
	<input checked="" type="radio"/> Stations operating pursuant to automatic program test authority.																								

5. Purpose of Application:	
<input checked="" type="radio"/>	Application for license to cover construction permit for LPFM station. Complete Sections II, III, and VI.
<input type="radio"/>	Application for modification of transmission parameters of licensed facility (47 C.F.R. Section 73.875(c)). Complete Sections II, IV, and VI.
<input type="radio"/>	Application for modification of hours of operation for licensed facility pursuant to changes in a time-share agreement (47 C.F.R. Section 73.875(e)). Complete Sections II, and V.
<input type="radio"/>	Amendment to a pending license application If an amendment, submit as an Exhibit a listing by section and question number the portions of the pending [Exhibit 1] application that are being revised.

Section II - Legal

1. Certification. Applicant certifies that it has answered each question in this application based on its review of the application instructions and worksheets. Applicant further certifies that where it has made an affirmative certification below, this certification constitutes its representation that the application satisfies each of the pertinent standards and criteria set forth in the application instructions.	<input checked="" type="radio"/> Yes <input type="radio"/> No
2. Changed Circumstances. Applicant certifies that, apart from changes already reported, no cause or circumstance has arisen since the grant of the underlying construction permit which would result in any statement or representation contained in the construction permit application now being incorrect.	<input checked="" type="radio"/> Yes <input type="radio"/> No See Explanation in [Exhibit 2]
3. Anti-Drug Abuse Act Certification. Applicant certifies that neither applicant nor any party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.	<input checked="" type="radio"/> Yes <input type="radio"/> No
The applicant certifies that the statements in this application are true, complete, and correct to the best of its knowledge and belief, and are made in good faith. The applicant acknowledges that all certifications and attached Exhibits are considered material representations. The applicant hereby waives any claim to the use of any particular frequency as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authorization in accordance with this application. (See Section 304 of the Communications Act of 1934, as amended.)
